AT THE WINCHESTER

Stepping into the Winchester Cafe is like stepping back in time. The obvious reason is that the Winchester suggests an old western saloon of movie days, complete with old wagon parts, refurbished lamps, and pictures that are reminiscent of those days gone by.

The secondary feeling of nostalgia occurs because many customers have a vague memory of hot dogs and milk shakes purchased here (when it was called "Walt's Drive-In"), on their way to the lake, or maybe coming home from a Sunday afternoon spent at the Connecticut Dragway on Rt. 16.

The original small building was erected in 1947 by Walt Grabek, Donna's Dad, with the idea of him switching from a music career (he headed the then-famous Krakowska Orchestra, and recorded for RCA Victor), to a calmer restaurant atmosphere "for a few years." A large picture of that original building can be seen on the wall near the big window. Thirty-five years later in 1982, when he was 72, Donna talked him into retirement and changed the place into the Winchester Cafe. Four years later, the building was added on to, and both interior and exterior were changed to the look that remains today.

The menu has evolved through the years to include the BEST in chicken wings, burgers, sandwiches, Mexican dishes, prime rib, and many other choices. While you're here, take the time to walk around and see the many interesting items gathered from all over New England and the Southwest. We're especially proud of our "prairie owl" and our "jackalope." Both have gained attention in newspaper articles!

We have some western art, pottery, mesquite lamps, and other articles for sale in the "back 40" of the bar that might be of interest.

On Sundays, some of Connecticut's finest bands play at the Winchester, offering all styles of music, including classic rock, golden oldies, country and blues. You can do your own singing on Thursday and Saturday nights, when karaoke is in progress, starting at 8:30.

Bikers are welcome! Enjoy our patio during the warm summer months. We are dog-friendly out there (leashed of course), and even have a dog menu!

We are open Wednesday thru Friday 11:30 a.m. – midnight, Saturday and Sunday from noon – midnight (Sundays in the summer, we open at 11:00 a.m.). We're closed Mondays and Tuesdays.

We hope you enjoy your visit with us and that you too, will become a "Winchester Repeater."
